What about the Secretariat Committee?

Submd

From the copy of the G.O. put up it is seen that the Chairman of the Board of Sericulture is the "Member in charge of the I.D.C". So no special orders are needed about this.

One other point is whether "Economic Conference" is to be shown as one of the Depts. in the portfolio distribution. In the 1933 Statement it was shown under First Member. The "Economic Conference" is not a working body & may be omitted. If deemed necessary to include it, it is for ... if it may be added under Second Member
